

Utility I Worker

We are seeking a Utility I Worker to join our maintenance team at the friendliest airport in LA! You will work with a team of maintenance professionals and under general supervision perform various basic level laborer duties to include vehicle cleaning, equipment inspections, refuse collection, general cleaning, physical labor, weed abatement, light construction, basic facility maintenance and assisting the Utility Technicians. This is an entry level position requiring basic skills.

Minimum Qualifications:

- General knowledge of maintenance trades, including electrical, plumbing, mechanical and carpentry.
- Basic skills and proficiency in general laborer trades, including roofing, flooring, pavement, drywall, painting and facility maintenance.
- Ability to use hand and electrical tools.
- Basic mechanical aptitude for operation and repair of airport equipment.
- Knowledge of and proficient in the use of portable light towers, portable generators and pressure washing equipment.
- Basic communication skills in order to communicate effectively with co-workers and airport dispatchers or external parties, including air tower staff via two-way radio.
- Read and comprehend job diagrams, sketches or written instructions.
- Ability to operate a motor vehicle in and around aircraft and ground support equipment.
- Ability to perform tasks requiring bending, stooping and kneeling.
- Ability to climb, erect ladders or scissor lifts safely and ensure the safety of those working around or on such equipment.
- Ability to lift, push, pull, move or carry over 50 pounds.
- Ability to deal with a number of problems requiring initiative and good judgment.

Requirements:

- Valid driver license, class C or higher, and a driving record acceptable to the Airport Authority's insurance carrier.
- Ability to work shifts assigned.
- Flexibility to work additional hours or varying schedules, including weekends as needed.
- Ability to obtain and maintain security clearance as required by the Airport Security Plan and TSA regulations.
